Welcome to The Printscape Arena at Southpointe.

We’re more than just ice in more ways than one!
Printscape Arena at Southpointe is the South Hill’s home for family fun, entertainment, and activities that revolve around active lifestyles. We’re not just an ice rink, but rather an entertainment venue that happens to have frozen water in it.

Whether you are here to learn how to ice skate, to play hockey, to play volleyball or basketball, or to experience the greatest birthday party ever, we have something for everyone.

Opening in 1995, our 125,000 square foot facility includes one NHL sized ice rink which operates year round, one NHL sized rink which operates with turf from November through March, and a Sport Court surface which operates from April through October. The mix of sport surfaces allows the Printscape Arena at Southpointe to host a wide range of sport programs, leagues and special events. With an annual foot traffic of over 725,000 people, it is one of Pittsburgh’s most heavily visited public sports facilities.

Our mission is to provide you a world-class experience with the best service possible. Each and every member of the Printscape Arena at Southpointe team is here to not only accomplish that goal, but to far exceed it. On behalf of our entire team, welcome to the Printscape Arena at Southpointe family. Have fun!
